AUTOMATION #1: DEEP AUDIENCE RESEARCH

The Prompt:

I need to do an analysis of the population and demographics of [city, state] to see how my [business type] business can better position itself.

Note: Make sure to select the “deep research” option before you submit the prompt (only available in paid plans but worth every penny).

AUTOMATION #2: THE FREE PDF CREATOR

The Prompt:

I need some ideas for a short pdf report for a [business type] in [city, state].

Note: Once ChatGPT gives you the ideas, follow up by asking it to write one of them for you.

AUTOMATION #3: THE CORE CONTENT CREATOR

The Prompt:

I am a [business type] owner in [city, state]. I need to generate a list of blog posts that could help me rank higher in google by focusing on keywords that are seo friendly for my area and would provide value to prospects searching for my services.

Note: Once ChatGPT gives you the ideas, follow up by asking it to write one of them for you.

AUTOMATION #4: THE SOCIAL CONTENT GENERATOR

The Prompt:

I have a blog post that I need 10 social media post about. Can you check out the blog post and help me create those social posts?

The post is here: [your post's url]

Note: Once ChatGPT gives you the ideas, follow up by asking it to help you create the images to go with those social posts.

AUTOMATION #5: THE HERO'S JOURNEY CREATOR

The Prompt:

[Access the Custom GPT here and follow instructions](#)

Your Hero's Journey

Create A Hero's Journey Story for you blog post!

 ChatGPT

AUTOMATION #6: THE PRESS RELEASE WRITER

The Prompt:

I need help writing a press release for an upcoming event our [business type] is doing in [city, state].

AUTOMATION #7: THE WEEKLY NEWSLETTER WRITER

The Prompt:

I need help writing a weekly email newsletter for past customers and leads of my [business type] in [city, state]. Generate 52 ideas for each week of this year.

Note: Once ChatGPT gives you the ideas, follow up by asking it to help you write each newsletter one by one.
